About Insperity: Insperity HR360 is provided by Insperity PEO Services, L.P. We are certified by the IRS as a Certified Professional Employer Organization and are licensed under applicable state laws governing professional employer organizations. We provide our human resource services, including our benefits plans and workers' compensation program, as an employer and not as an agent. Participation in our benefits plans is available only as a component of our human resources services and only to eligible employees. We are also a wholly-owned subsidiary of Insperity, Inc., a publicly-traded company (NYSE: NSP).

About the Financial Information Report: We charge a service fee for the human resource services included in our HR360 solution that we will provide to you. The Financial Information Report illustrates an internal allocation of our proposed service fee among various categories relating to our human resources services. None of the allocations represent an insurance premium or rate. The allocations are based upon information you have provided to us and our own estimates, assumptions, calculations, historical data and averages and are likely to vary from our actual costs; however, any such variances will not alter your service fee, except as provided in the Client Service Agreement. The Financial Information Report is not intended to be used by you for any purpose other than to provide you with additional information concerning our proposed service fee.

Confidentiality: The Financial Information contains our confidential and proprietary information and trade secrets. You have agreed to maintain the Financial Information Report in confidence and have agreed that you will not provide it or any information concerning the allocations to any third party. PLEASE READ THIS IMPORTANT NOTICE AND DISCLAIMER:
Insperity charges a service fee for its personnel management services, as set forth and described in your Client Service Agreement (CSA). This Medical Allocation Report provides additional information concerning the portion of your service fee that relates to the allocation for medical coverage (and the component employee/client payments that make up such allocation). Insperity provides this information to you as a co-employer and in connection with Insperity's administration and operation of its employee benefits plans. Insperity's benefits plans are available only as a component of Insperity's personnel management services and only to eligible employees. Because the depicted medical allocation is derived from Insperity's internal allocation of its service fee, this allocation is not an insurance premium or rate and may not correspond to Insperity's actual cost for medical coverage. COBRA rates for continuation coverage may vary significantly from the allocation reflected in this Report as COBRA rates are determined by the insurer based on the total cost of coverage. This Report is not intended to be used by you for any purpose other than to provide you with additional information concerning the portion of your service fee that is allocated to medical coverage (and the component employee/client payments that make up such allocation). Insperity provides no warranties with respect to this Report, and it expressly disclaims that the information contained in this Report is fit for any other particular purpose. This Report contains Insperity's confidential and proprietary information and trade
You have agreed to maintain this Report in confidence and have agreed that you will not provide it or any information concerning your medical allocations to any third party. This Notice and Disclaimer is incorporated by reference into your CSA

PLEASE READ THIS IMPORTANT NOTICE AND DISCLAIMER:
Insperity charges a service fee for its personnel management services, as set forth and described in your Client Service Agreement (CSA). This Medical Allocation Report provides additional information concerning the portion of your service fee that relates to the allocation for medical coverage (and the component employee/client payments that make up such allocation). Insperity provides this information to you as a co-employer and in connection with Insperity's administration and operation of its employee benefits plans. Insperity's benefits plans are available only as a component of Insperity's personnel management services and only to eligible employees. Because the depicted medical allocation is derived from Insperity's internal allocation of its service fee, this allocation is not an insurance premium or rate and may not correspond to Insperity's actual cost for medical coverage. COBRA rates for continuation coverage may vary significantly from the allocation reflected in this Report as COBRA rates are determined by the insurer based on the total cost of coverage. This Report is not intended to be used by you for any purpose other than to provide you with additional information concerning the portion of your service fee that is allocated to medical coverage (and the component employee/client payments that make up such allocation). Insperity provides no warranties with respect to this Report, and it expressly disclaims that the information contained in this Report is fit for any other particular purpose. This Report contains Insperity's confidential and proprietary information and trade
You have agreed to maintain this Report in confidence and have agreed that you will not provide it or any information concerning your medical allocations to any third party. This Notice and Disclaimer is incorporated by reference into your CSA
